WELCOME TO

SAUNDERSFOOT'S FESTIVAL BY THE SEA

The Christmas Festival is one of many Saundersfoot events organised by the Saundersfoot Chamber for Tourism (SCT) - a voluntary, non profit making organisation with over 70 local business members.

SCT's aim is to enhance the village's unique community spirit and to develop tourism through the provision of events, to give a village for all seasons.

Members display their membership badge on their businesses and are listed on the SCT noticeboard (on wall of the Rock & Fudge shop) and website. Without their support these events would not be possible.

Please support them.

To find out more, visit the SCT exhibit in the Music Box.

MUSIC BOX

Returning from last year, **Lightship** are a band from Pembroke who play a mixture of classic, pop and rock music. In their own words...."a bunch of well-gigged musos who like to play gigs in an uncommon, very musical style. The band was formed in 2014 and there have been several changes of personnel since then, but as our repertoire has expanded we have maintained our original principles: to play well and to have fun".

St Mary's Handbell Ringers were formed in 1998 by Alex Freeman, who discovered a disused set of bells in St Mary's Church, Tenby. The team has since grown to 14, ringing from 1¹/₂ to 3 octave music. The ringers are fortunate to be conducted by Dr John Harrison, musical director at St Mary's, and to have Don Bedford, well known in handbell circles, to ring and arrange for them. The team rings at weddings, concerts, Tinsel & Turkey celebrations etc, entertains at residential homes, clubs and schools and has raised thousands of pounds for charities and good causes.

MUSIC BOX

Ever-popular **Fiddlebox** return to bring their own unique fun-loving style to the festival. Welcome again to Helen (The Fiddle) Adam and George (The Box) Whitfield, described as “sounding more like a four-piece than a duo”. Helen and George have been playing together for 13 years, and draw on a massive repertoire with traditional Welsh, Irish, American, Klezmer and rock roots, as well as their own material.

Pembrokeshire Hot Potatoes. A group of talented West Wales-based musicians who have appeared at jazz clubs and festivals throughout the UK. Enjoy a session of lively jazz/swing music played in the authentic Dixieland/Chicago styles. The band is led by veteran trombonist Tudor Thomas includes Chris Ryan and Dennis Wheeler (clarinet/saxophones), Steve Metcalfe (guitar) and Clive Richards (bass guitar).

Band Gan Y Mor (Band by the Sea) perform acoustic versions of classic rock and folk tracks from their mis-spent youth, using skills honed through individual gigging (Steve), male voice choirs (Mike) and bedroom drumming and strumming (Bod and Alan). Their recent launch on the local open-mic and pub gig circuit has been well-received. Don't miss Band by the Sea at Christmas by the Sea!

Carmarthen Ukuleles Established in 2010 by husband and wife Robert and Pat Evans, the band consists of people of varying musical experience who all enjoy the fun that is always found where there are ukuleles. Their reputation for never staying on a set list remains intact and certainly adds to the fun and the group's jokes, although well travelled, still produce the odd giggle. As always Carmarthen Ukuleles are looking forward to their next gig and hope everyone can join the singalong.

The Butch Boys are three talented musicians who are always popular when they provide great impromptu entertainment during the summer. Joining local entertainer Butch (guitar and vocals) are two regular visitors to Saundersfoot - Richard (double bass) and Chris (harmonica).

KITCHEN CORNER

VIC NORTH is a Pembrokeshire cook and writer who celebrates all things real food. Vic has successfully run an award-winning restaurant and has been featured in the Guardian and on BBC Wales. Vic is now using her experiences to work as a food writer whilst continuing to host regular cookery classes. Her current projects include a series of interviews profiling women in food. Contact Vic via her website www.vicnorthfoodnotes.com @vicnorthbakes

You may recognise Ludo from his appearance on Masterchef:The Professionals where he made the semi-finals.

French born **LUDO** started cooking as a boy and worked in various restaurants in France before moving to Maes y Neuadd in Harlech where he spent four happy years working under chef Peter Jackson - head of the Welsh culinary team. From there he moved down to Cardiff to work as a pastry chef in Le Gallois, a restaurant which had two AA rosettes and an excellent reputation. It was in Cardiff that he met TV producer Lowri and they decided to move back to West Wales to follow their dreams of setting up their own restaurant.

Ludo is now head chef in the Harbourmaster in Aberaeron which, not surprisingly, given its location, specialises in fish and local produce.

Ludo lives in Crymych with his partner Lowri and eight year old daughter, Ella who is also a budding chef!

Guest Chef, **Daniel Retter** (from the St Brides SPA Hotel) will be showing how to cook a tasty dish with a coastal theme.
